My Dear Nephew  
I received your letter of  
Oct 27th the 25th of  
December - I have neglected  
to answer it till now  
hoping to receive letters  
from the Pension office  
but ~~at length~~ I have received  
none, and it appears  
they have not heard  
from you nor my  
brother Supplina. I  
write hoping you will  
make more efforts to try  
to prove my citizenship as  
a citizen of the U.S.  
proved. Has my brother sent  
the affidavit to the pension  
office? if not please hurry
